# EXTRA-CURRICULAR ACTIVITIES

**THERE IS A LIFE OUTSIDE THE CLASSROOM**

To ensure progression and continuity of students along with the curriculum, AAA provides the opportunities to participate in various extra-curricular activities based on their interests. Beyond demonstrating only the teen's interests, school ensures the participation of applicants for National and International level competitions, and helps them manage time and priorities accordingly.

# OUR FOCUS

## THE EXTRA FEATURES THAT WILL BIND US TOGETHER

To foster academic excellence for students, AAA ensures a convenient way of transportation through buses and vans. The hostels are also noise-free, have internet access, and they offer nutritious food for maintaining good health condition. Along with this, the school offers credit facilities to parents such as education loans, which serves as an emergency to pay school fees in order to avoid financial challenges.

# MENTORSHIP & COUNSELLING

**LISTEN TO THE UNHEARD STORY OF EACH STUDENT YOU PASS IN THE HALL**

AAA has experienced counsellors who take care of the children in terms of career path, mental health, emotional support, and provides professional guidance. Adding to this, our 5 years mentorship program also benefits the children to have mentors who assist them even after school in terms of university selection, personal troubles and help, enhance the students' abilities to choose the right path, etc.
